Product Use and Safety Notice

This product is designed for use in eurorack modular synthesiser systems by experienced users. It is sold "as-is" and may not comply with specific regulatory standards or certifications (e.g., CE, RoHS, FCC) required in certain regions. By purchasing or using this product, you agree to the following terms:

1. Usage at Your Own Risk

This module is provided without any express or implied warranties, including but not limited to warranties of merchantability or fitness for a particular purpose. The buyer or user assumes all risks and responsibilities associated with the installation, operation, and maintenance of this product.

2. Regulatory Compliance

This product may not meet the regulatory standards or certification requirements in your country, such as electrical safety, electromagnetic compatibility (EMC), or environmental directives. It is the buyer's responsibility to ensure compliance with local laws and regulations regarding the import, installation, and operation of electronic devices.

3. Electrical Safety

While we rigorously test our products for quality and reliability, this module has not been independently certified for safety in sensitive or high-risk environments. Always verify power requirements and ensure your Eurorack system is properly grounded and functioning correctly to avoid electrical hazards.

4. Warranty and Liability

This product is sold without any formal warranty. The manufacturer and seller disclaim all liability for any damages or losses resulting from the use or inability to use this product, including but not limited to:

- Damage to other equipment in your system
- Incidental, consequential, or indirect damages
- Injuries caused by misuse or improper installation
- Any modifications to the module may void eligibility for returns, repairs, or support.

5. Shipping and Import Responsibility

Buyers are responsible for all shipping, customs duties, taxes, or import fees applicable in their country. The seller is not liable for delays, rejections, or seizures by customs or regulatory authorities.

6. Return and Repair Policy

We are committed to ensuring the functionality of our products. If your module malfunctions due to manufacturing defects, we will make every reasonable effort to repair it. Please note the following:

- Repairs are offered for malfunctions that are not the result of wear and tear, misuse, or unauthorised modifications.

- Return requests are subject to standard rules and must be initiated within 14 days of receiving the product.

Buyers are responsible for shipping costs associated with returns or repairs, unless the issue is confirmed to be a manufacturing defect. For further details, please contact us directly.

Important Note

By purchasing or using this product, you acknowledge that you have read, understood, and agreed to the terms of this disclaimer. If you do not accept these terms, please do not proceed with purchasing or using this product.
